Get started with Libby

The Libby app is the easiest way to get started with digital books from your public library!

1. Install the Libby app from the app store on your smart device or PC.

2. In Libby, follow the prompts to find the Clinton-Essex-Franklin Library System and sign in with your library card.

4. Borrowed titles appear on your Shelf and download to the app automatically when you're on Wi-Fi so you can read them when you're offline.

From your Shelf, you can:
- Tap Open Book to start reading.
- Tap Manage Loan to see options like Renew, Return, or Send to Device to send a book to a Kindle.
