Communications

Michael read a note received by Anne Jobin-Picard from Jerry and Nancy Perry expressing their appreciation for the French Conversation Group.

President’s Remarks

Lisa reminded the Board members to donate to the Leadership Campaign. We would like to see every Board member contribute.

The “Sunshine fund” was not all used last year and donations at this time are not needed.

Lisa asked the Board to look over the committees and make any requests for changes right away. Michael will email the current list to the Board.

Plattsburgh Public Library (PPL) Report

Anne de la Chappelle gratefully reported that the Plattsburgh Common Council had restored some funding which will help the library meet the maintenance of effort requirements of the State. Also, the CLDA money (which will be addressed by the Board later in the agenda) will make it so that their 2020 budget will balance.

PPL had a little book budget money left ($7000) at the end of the year which they spent on ebooks that will benefit the entire system. Thank you, Anne.

Director’s Report

We did extend an employment offer to Brenda Mooney for the open Administrative Assistant position. The offer was at a salary of $35,000/year, and she will begin on Monday, February 1.

Steve mentioned that in 2020 the Governor signed legislation making Juneteenth (June 19) a State holiday. He asked the Board’s direction on whether CEFLS will observe the holiday. Tom Mandeville said he would not expect any collective bargaining resistance if CEFLS chose to close on that day. Motion by Tom Mandeville, second by Nicky Bryant, to add the Juneteenth holiday to CEFLS holiday observances with union approval. Motion carried unanimously.

Steve asked what the vaccination policy should be when the COVID-19 vaccine becomes available. Should CEFLS require employees to be immunized? Some discussion ensued. Steve was asked to get more information on what is legal and what is recommended by the health department. Tom Mandeville asked why librarians were not classified in the 1B group for priority vaccinations. Steve reported that librarians are often lost in the shuffle. NYLA has an advocacy initiative to have librarians classified. Tom volunteered to contact Assemblyman Jones and advocate librarians to be classified. Steve will contact Senator Stec for the same purpose.

Finance Report
Michael is still preparing the financial reports. They will be mailed to the Board by Friday, January 29.

Annual reports for the State were opened on Friday and we will be making a concerted effort to complete those by the April 1 deadline.
