There will be a Librarians' Meeting on Thursday, June 14, at 10:30 in the morning, at the Headquarters. Mrs. Paul Vogan, librarian of the Mooers Free Library, will be in charge of the book review section of the program.

Miss Laura Ingalls, Secretary of the System, and Administrative Assistant of the Plattsburgh Public Library, will speak on Summer Reading Programs for Children. There will be a discussion period following Miss Ingalls' talk.

The remainder of the program will be announced later.

Miss Walter emerged from her cast on Monday morning, May 14, to her great delight. She is now becoming quite expert on crutches, and expects to leave the hospital soon.

Miss Norma Darrah, System Typist, has returned to work after an illness of two weeks.

The door at the Headquarters entrance now boasts lettering stating that it is the Clinton-Essex County Library Service System. When finished, it will have a background of a map of Clinton and Essex Counties. This sign was designed and executed by Herbert Newlove, Director of Art Education in the Plattsburgh Public Schools, and is a gift to the System from Mr. Newlove.

We would like to remind all library trustees that they are most welcome at all Librarians' Meetings. At a later date, Miss Walter plans a meeting devoted to discussion of the various problems faced by library trustees, and an outline of the responsibilities of trusteeship.

On Friday, May 18, the Clinton County Highway Department held Open House at its new garage just outside of Plattsburgh across from the Airport. Through the courtesy of Mr. John Coffey, Superintendent of Highways, and Mr. Roy Trombly, Garage Superintendent, we were invited to have the Bookmobile open for inspection. Mrs. Manwell and Mr. Harnden, who were on duty with it, reported that many people inspected it and expressed great interest.

Miss Ingalls attended the Open House as Miss Walter's representative.

We would be grateful if every librarian would send us an answer to the following question. Do you use the page of book reviews included with the Newsletter each month? Would you like to see it continued? We enclose a post card for your reply.

Applications for the System grant will be sent to the President of the Board of each member library, early in June, and the grant will be paid as soon as the applications, properly completed, are returned to the Headquarters.
