Vol. 3, No. 11

To wish you a
Happy Holiday Season

There will be a Librarians' Meeting on Wednesday morning, December 12, at 10:30 at the Headquarters. The speaker will be Mr. Matthew Tyborowski, Field Representative of the Social Security Administration. His topic will be, "You and Your Social Security." Mr. Tyborowski will explain the provisions of the Social Security Law, and the steps necessary for coverage under it, and the benefits it offers. There will be a question and answer period following his address.

Because of the holiday season, a social hour will follow the morning session, and there will be no afternoon meeting. Librarians are requested to mail the enclosed reply card to Miss Walter by December 5, stating whether they or a trustee from their library can attend.

The Program Committee met at the Headquarters on November 27 to discuss plans for the coming year. Mrs. Marian Mason, Librarian of the Paine Memorial Free Library in Willsboro, was elected chairman of the group. Mrs. Mason will report on this meeting, and has asked that member librarians bring suggestions for future programs to the December 12th meeting.

Other members of the Program Committee are: Mrs. Helen Labare, Chazy Public Library; Mrs. Keeton Lobdell, Wadhams Free Library; Mrs. Paul Vogan, Mooers Free Library.

Miss Walter asks that librarians notify her of any changes in their Boards of Trustees, so that our mailing list can be kept up to date.

CHAZY: There will be a Tea in the Chazy Public Library under the auspices of the Friends of the Library, during the week of December 3. The exact date will be announced by press and radio. At this tea, Mrs. Benjamin Burton will speak on the collection of seashells which is now on display at the Chazy Library.
