

Requesting MARC Records

First, before you enter your request,
please make sure that your item is
not already in Horizon

To enter a cataloging request, go to CEFLS.ORG and you will see the MARC request form under the For Staff tab

MARC RECORD REQUEST

 marc@cefls.org (not shared) [Switch account](#) 

* Required

Library *

Please select the 3 letter location code for your library using the drop-down list.

Choose ▼

These are some of the fields that we see here at CEFLS when we process your requests:

4/19/2022 12:43:48	Library Name	9781643752600	Hot Stew	Mozley, Fiona	Algonquin Books of Chapel Hill	2022	No	Book
-----------------------	-----------------	---------------	----------	------------------	--------------------------------------	------	----	------

There are also other fields not included in this snippet that allow you to enter details and additional information about your record request.

Cambridge, Mass. :
New York : Doubleday,

Here at CEFLS, we catalog a large amount of requests and we ask for at least a two week turnaround.

However, many times, it is much quicker than this time period.

If for some reason you need an item entered sooner than that please reach out to us and we will try to accommodate you.

Please be sure to check your records and reach out to Tech Services if you have any questions or need any changes to the MARC records.
