

**Annual Report for Public & Association Libraries 2022
Outline of Major Changes**

Following are changes to the 2022 Public & Association Library Annual Report – Questions and Instructions

IMPORTANT:

- The State Library due date of the annual reports will be March 15, 2023.
- To avoid loss of data, only one person at a time should be logged into a member library report. Multiple people logged into the same report will cause data to be lost.
- Libraries should not have reports from two different years open at the same time.
- All libraries will continue to use the Baker & Taylor interface to enter their 2022 data.

- COVID-19 questions continue to appear in Part 8- Public Service Information as Part 8A.
- Some Part 3 Program questions are now referred to as Synchronous (Live Program Events).

TIPS for Reporting Live Programs
When Reporting Library-Sponsored Live (Synchronous) Programs in Part 3

INCLUDE:	EXCLUDE:
<ul style="list-style-type: none"> • All program sessions that are sponsored or cosponsored by the library. For a program session to be sponsored or co-sponsored by the library, the library must contribute financial resources or staff time toward the program session. For a program session that is part of a larger community event (such as a farmer’s market or festival), it is not necessary for the library to also sponsor or organize the larger event. • Examples of synchronous programs include live story hours, film or movie showings, puppet shows, lectures, or concerts. 	<ul style="list-style-type: none"> • Program sessions sponsored by other groups that use library facilities. For example, do not include a homeschooling group hosting a speaker in a meeting room without facilitation from library staff.
<ul style="list-style-type: none"> • Both in-person on-site and in-person off-site program sessions. For example, include a story time at a farmer’s market or a presentation to a school group about library resources conducted at a school. 	<ul style="list-style-type: none"> • Offsite outreach efforts that do not otherwise meet the definition of a program session. For example, do not include having a library card signup booth at a farmer’s market.
<ul style="list-style-type: none"> • Live-streamed virtual (synchronous) program sessions that are sponsored or co-sponsored by the library. 	<ul style="list-style-type: none"> • Recorded (asynchronous) presentations of program content. For example, exclude any recording of program content (such as a pre-recorded story time) that cannot be viewed live as it unfolds. These should be counted in Total Number of Asynchronous Program Presentations (Q3.29a). • Programming that is shared on the library’s website or social media that is not sponsored or co-sponsored by the library. For example, do not include sharing a video from an author’s website of him or her reading a book.

INCLUDE:	EXCLUDE:
<ul style="list-style-type: none"> Program sessions with attendance of zero or one if they were intended for a group. 	<ul style="list-style-type: none"> Activities delivered on a one-to-one basis, rather than to a group, such as one-to-one literacy tutoring, services to homebound, homework assistance, and mentoring activities.
	<ul style="list-style-type: none"> Passive or self-directed activities that do not occur at a scheduled time. For example, do not include leaving an art project or puzzle on a table for participants to complete. Activities differ from programs in that activities are unstructured and depend on the participation of the attendee to create the experience, rather than a structured presentation offered by librarian to a group at a set time.
	<ul style="list-style-type: none"> Take & Make kits that are not part of a synchronous program such as a story hour. Report Take & Make kits that are left out for patrons to pick up under Q3.22, One-on-One Program Sessions, and Q3.29 One-on-One Program Attendance. Count each kit prepared as one session, and each kit picked up as one attendee.
